

# DUETO PARFUMS

September 2014

Dueto has been since 2010 in the making of quality innovative perfumes, still keeping them democratic in the standards of the crazy luxury galaxy. For our 5th anniversary, we had to deliver a special fragrance pushing further the boundaries of creativity and prestige scents. We took on board a top nose for this olfactive adventure, Michel Girard. He concocted a magic secret blend of Ginger, Coriander, Vetyver, Geranium, layered on Agarwood, Musk, Amber and Patchouli among others. Uber perfume was born.
